Sir:

Transmitted herewith is an amendment in the above-identified application.

Applicant petitions for an extension of time for ___ month(s) to respond to the Office Action dated **January 30, 2004**. If an additional extension of time is required, please consider this a petition therefor.

Fee \$ 0.00

An extension for ___ month(s) has already been secured; the fee paid therefor of \$ 0.00 is deducted from the total fee due for the total months of extension now requested.

Extension fee due with this request \$ 0.00

Applicant believes that no extension of time is required to respond to the Office Action dated January 30th, 2004. However, this conditional petition is being made to provide for the possibility that applicant has inadvertently overlooked the need for a petition for extension of time.

No additional fee for claims is required.

The fee for claims has been calculated as shown below:
